

**Covid-19 information for families visiting
Kingfishers' Forest School at Willsbridge Mill**

A warm welcome to everyone at Kingfishers' Forest School! Here at Willsbridge Mill, safety is of the utmost importance to us, and we want to ensure that everyone feels Covid-safe during our Forest School sessions.

Please read below to understand some of the practices we will have in place to keep everyone at Willsbridge healthy and happy:

- Forest School sessions can only be accessed if you have pre-booked your place online first. As much as we would love people to drop in freely, unfortunately due to government restrictions on numbers, we will only be allowing families who have booked to join us. Please book your family's place in advance via the Willsbridge Mill Forest School website. We apologise for any inconvenience this may cause.
- We will have a one-way system in place to access Forest School. To enter, please walk up the path with the back of the cafe on your left and the cottage on your right. Go through the gate on your left and stay in the waiting area by the pond until you have been called in by a member of Forest School staff. To exit, please take the path parallel to the paddling deck, that goes down some steps and brings you out with the cafe on your left.
- Upon entering and exiting, staff will ask families to queue 2 metres apart and will remind everyone of the importance of social distancing and staying in their family bubble.
- During the session, the group of 30 will be split into smaller groups with different activities, in order to encourage social distancing.
- Hand washing will be encouraged throughout the sessions, and staff will be responsible for disinfecting all surfaces and equipment between sessions.

We understand that some of these measures may take a little extra time to carry out on the day, but we thank you kindly for your patience and understanding. Our priority is to have all essential safety precautions firmly in place, so that everyone can enjoy their day as safely and as happily as possible.

We look forward to seeing you in the forest!
