

## Sponsor the Wildlife Garden Bridge

The wildlife garden at Willsbridge Mill is one of our much-loved attractions and is the home to lots of active wildlife throughout the seasons, a place for young ones to explore the ponds, or even just to sit and enjoy some peace and quiet.

This year, thanks to a successful grant application, we were able to undertake substantial renovations, including a new, more habitable pond and bog garden, educational ponds, lawn area and a fantastic new, accessible bridge.

We know this garden will be appreciated for many years to come, and welcome you to be part of that, by sponsoring the bridge. We have 50 plaques available, made from marine grade stainless steel which will be screwed to the bridge, for you to see and enjoy during your visit.

This could celebrate a birth or an anniversary; an individual, business or group; recall a loved one or happy days at Willsbridge Mill; or a few lines of a favourite poem or song, or “just because” ...

If you would like to discuss other sponsorship opportunities (memorial benches, trees, plants etc) please call into the park café or email [mail@willsbridgemill.com](mailto:mail@willsbridgemill.com)
