

# Willsbridge Mill Valley Trail

The trail celebrates the fascinating local history and wildlife that has shaped the landscape over the past 1000 years. Willsbridge Mill is part of the Forest of Avon, a Community Forest initiative, helping create a better environment in and around Bristol.

Start at the Mill and follow the trail in either direction. The path is fairly level with some steep sections. Approx. ½ mile long.

## Brass Rubbing

Look out for 6 way marker plaques from which rubbings can be taken. The symbols on the map show the locations of the plaques
